REACH Academy will be returning next year

The board has approved the return of REACH Academy with some changes. We will only have grades 2-6 and be located in room 24 within John Brown Elementary. We will have 2-3, 4-5 and 6th grade level bands.

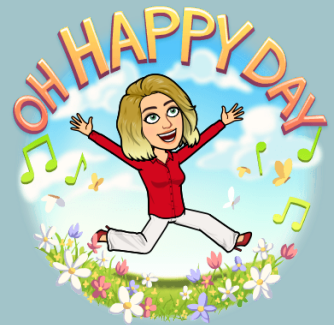

We will enhance our strong focus on project based learning as well as learning within the community and community involvement. All students in those grade bands will be rolled over to REACH for next year, and we will have you update registration after August 1st. I will ask you to fill out our “save a spot” using the link.

If you are planning to change schools, you will need to register after August 1st at your zoned school. We are very excited to be returning and looking forward to accessing some needed resources that being connected to a school building allows.

State ISATs are finished!!

Thank you parents for getting your child(ren) to school on testing days! Your partnership is vital.

Teacher Appreciation Week

We have wonderful teachers that are very dedicated to your child's success. I hope you helped your child acknowledge their teacher on the week of May 2nd.

8th grade students preparing for Lakeland/Timber Lake High School

We are sad to see the students grow and go, but all 8th grade students will be heading to high schools next year. I have passed on the students' information to your zoned high school and will continue to keep you informed on registration. Keep an eye out on your email for registration and open house.

If you are interested in individual pictures from Leos...

We will be partnering with Twin Lakes Elementary for individual pictures. I will send the flyer home in Class dojo. Pictures are on May 10th from 8:45-9:00 AM at Twin Lakes Elementary. You can pay online using the code on the flyer or fill out the form when you get there. You can put Mrs. Runyan as the teacher and I will get them to you when they are delivered. This will only be individual pictures and not class pictures as the form states.

Contacting your teacher on HUB days

If you need to contact your child's teacher on in-person days, please call the HUB at (208)712-8280. We do not want to interrupt our precious classroom instruction time.

Contact

If you have any questions please contact me at ldunbar-runyan@lakeland272.org or call the Hub at (208)712-8280.

Thank you,

Lesley Runyan
