

REACHing out to families

April 2022

Our Mission

Our mission at **REACH Academy** is to create intentional, individualized partnerships between students, families, school staff and communities within an online-hybrid option where all students can successfully engage in student centered learning and individual needs are met through supportive home based education and caring in person instruction and enrichment where students prepare for their ever changing world.

Upcoming dates

- April 12- May 5 ISAT testing
- April 17 Easter
- May 2-6 Teacher Appreciation Week

Welcome Back

We are back for the **last quarter** of the 2021-22 school year. We have a busy 4th quarter with state testing and end of the year fun! It is very important that students are attending school each and every day both on-line and in person.

We need to finish strong!

State ISATs are here

We will be starting testing next week and continuing through May 5th. On the ***learner agreement*** you signed at the beginning of your time at REACH, all state testing has to be **in person**. Please use the following schedule **to ensure** your child will be in the Hub on their testing day. If you have any questions, please contact your child's teacher.

Week of	Tuesday (During regular class day)	Wednesday 8:00-1:00	Thursday 8:00- 1:00
Apr 11, 2022	3-5th ELA (CAT)		
Apr 18, 2022	3rd-5th ELA (PA)	6th and 7th Math	8th Math

8th grade students preparing for Lakeland/Timber Lake High School

We are sad to see the students grow and go, but all 8th grade students will be heading to high schools next year. I have passed on the students' information to your zoned high school and will continue to keep you informed on registration. Keep an eye out on your email for registration and open house.

Teacher Appreciation Week

We have wonderful teachers that are very dedicated to your students' success. I hope you help your child acknowledge their teacher on the week of May 2nd.

Get your information from Class Dojo

If you have not downloaded the Class Dojo App on your phone yet, you are missing out on information. Please contact your teacher to get the class code. You may also want to **turn on your alerts** in your settings on your phone to stay connected.
